5. I understand that it is my responsibility to arrange for, or pay for costs at the Host Institution, until my financial aid can be released from Carroll College.

Consortium/Contractual Agreement Process

For students receiving financial aid from Carroll College and attending another institution.

- Step 1. List all courses to be taken in box one on the front of the Consortium Agreement. List class number, class name and number of credits for each. If you are going to be enrolled at Carroll this semester at the same time, enter the total Carroll credits on the right side of Box 1.
- Step 2. Obtain your Dean or Department Chair's signature to ensure your classes are valid toward your degree at Carroll.
- Step 3. Sign and date the bottom of the form only after understanding and agreeing to all of the conditions on the front and back of the application.
- Step 4. Send the consortium to the Host Institution to complete box two. Do not return to the Carroll College Financial Aid Office until everything is completed except Box 3.
- Step 5. When boxes one and two are completed, make sure the form is returned to the Carroll College Financial Aid Office for review and signature as the home school. Please allow several weeks for the consortium to be validated and financial aid awarded. Distribution of financial aid at the start of each Carroll semester for Consortiums varies on several factors:
- Preferred method is for you to pay at the Host school and send a paid receipt to the Carroll College Financial Aid Office. The Carroll College Business Office will then release the check directly to you.
 - If you must use financial aid to pay the Host school, you must coordinate payment between Carroll's Financial Aid Office, Business Office and the Host school.
- Step 6. Upon completion of Step 5, and our completion of Box 3, we will notify the Host Institute of the final cost of attendance.

NOTE: You may be required to supply the host institution with your financial award notice from the home school.
