II. Other Program Requirements

- PSY/ED 229 Educational Psychology
- ED 344 Secondary Social Studies

Note: Read "Acceptance into Teacher Education Program," see index for page number.

Department of Sociology & Anthropology

Mission

The mission of this department is to provide students with the requisite analytic tools for delving beneath the surface of everyday reality and perceiving the deeper meanings, recurring patterns, and concomitant structures that constitute the social world. As a department within a liberal arts college, we endeavor to integrate students' study of sociology with Carroll's broader and publicly articulated goals. Finally, as a department within a distinctly Catholic liberal arts college, we are committed to honoring students' search for "Ultimate Truth" and highlighting the ethical ramifications of what students learn in the classroom about society.

Goals

The overall and ongoing goal of this department is to pursue our tripartite mission of honing the "sociological imagination" among our students, demonstrating to them the variegated connections between sociology and other academic skills and disciplines, and conscientiously underscoring the ethical considerations that inevitably accompany their studies in the social world. Commensurate with our pursuit of this goal are the following, more specific objectives:

1. To contribute to a diverse array of course offerings that is constitutive of a liberal arts education in general, and certainly present within the intellectual and Catholic foundations of Carroll College.
2. To provide students with the necessary knowledge base and intellectual skills that will enable them to find meaningful employment and/or enroll in graduate school in their chosen fields.
3. To provide students with the kind of hands-on, practical experience that can both supplement their academic work, and facilitate their discernment vis-à-vis their eventual career choices and directions for graduate study.
4. To help integrate into a community of learners both within the department and within Carroll College as a whole.
