

GEOG: Courses in Geography

Department of Sociology and Anthropology

GEOG 201 Introduction to Physical Geography 3 Cr

An introductory course that focuses on the physical landscape as our spatial home. Emphasis is placed on earth form and shape, elements of meteorology, climatology, plate tectonics and selected land forms. No previous knowledge of geography is required. Spring semester.

GEOG 202 World Regional Geography 3 Cr

An examination of selected geographic regions that serve as models in demonstrating likenesses and differences in human spatial behavior. Instruction will focus on the cultural landscape, with special emphasis on economic development, settlement practices, population diversity, and spatial interaction. Regions of study include China, the Commonwealth of Independent States and Russia, Europe, and Middle America. Fall semester.
