

FEDERAL STUDENT AID PROGRAMS

INDEPENDENT

Your application was selected for review in a process called "Verification." In this process, Carroll College will be comparing information from your application with signed copies of your (and your spouse's, if you married) 2005 Federal tax forms, or with W-2 forms or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, Carroll will make corrections electronically and notify you in writing.

Complete this verification form and submit it to the Carroll College Financial Aid Office as soon as possible, so that your financial aid won't be delayed. Our office will be glad to assist you.

Verification must be completed no later than 14 days prior to the end of the first semester of enrollment. Failure to complete verification will result in the cancellation of all federal and institutional need-based aid. In addition:

- No federal loan(s) will be released until verification is completed.

- Students employed under the federal work-study program cannot work more than 60 consecutive days without completing verification.
