

Transfer Guide for Flathead Valley Community College

Information contained within this guide is taken from the 2006-2007 Flathead Valley Community College catalog and the 2006-2007 Carroll College catalog.

Questions or comments regarding this Transfer Guide can be directed to the Office of Admission, Carroll College, Helena, MT 59625 (800) 992-3648 or (406) 447-5481.

January 2007

Transfer Admission

Carroll welcomes applications from students whose educational interests will be best served by transferring from other two-year or four-year colleges. Students are considered transfer students if they have completed one or more terms at a regionally accredited college or university. Transfer students may enter in either the fall or spring semester.

Accepted candidates are those who, in the view of the admission committee, are likely to become successful members of the Carroll community and demonstrate a strong academic background. For that reason, a selective admission policy is practiced. Transfer students should have a minimum 2.50 cumulative college grade point average (4.0 scale) to be considered for admission.

A transfer student must submit the following materials:

1. The application form, all items completed.
2. Official transcripts from all colleges previously attended, and official transcripts from high school if the student has completed fewer than 30 semester credits, or the equivalent, at the college level.
3. ACT, or SAT test scores if the student has completed less than 30 semester credits, or equivalent, at the college level. ASSET or COMPASS test scores are used for students who have been out of high school for more than three years.
4. Letter of recommendation.
5. Application fee of \$35.00 (non-refundable).

Apply free online at www.carroll.edu/prostudents/.

To facilitate the transition between colleges, each transfer student is assigned to an academic advisor. New students are encouraged to meet with their advisor during the first week of the semester in which they enroll. The academic advisor will discuss and arrange the student's program of study, taking into account previous college work, future goals, and Carroll College's academic requirements. New students are encouraged to attend an Open House program or meet with the transfer admission coordinator to register for their first semester of enrollment.

Carroll College follows a rolling admission policy, whereby applications are reviewed as they are submitted and admission decisions are made at the time the application file is complete.

The application deadline for fall semester is June 1st and all supporting materials (transcripts, test scores, etc.) must be on file no later than July 1st. The admission deadline for spring semester is November 15th and all supporting materials must be on file no later than December 1st.

The offer of admission to transfer students is contingent upon the successful completion of all collegiate course work in progress at the time of acceptance.

Acceptance into a Major Program

Acceptance into the College by the Office of Admission does not guarantee acceptance into a major program of study. Criteria for acceptance into a particular program can be obtained by referring to the appropriate section of the current Carroll College catalog.

Enrollment Reservation (Advance Deposit)

Upon receiving notification of admission, all admitted students must submit an enrollment reservation of \$300 and a completed enrollment reservation form to confirm their intent to enroll at the college. \$200 of the enrollment reservation fee acts as a deposit for miscellaneous charges (i.e. library fines, damage fines) while enrolled at Carroll and will be refunded to the student upon graduation or termination of studies if the student account is clear of all charges. The remaining \$100 is credited towards tuition in the fall or spring semester depending on the intended semester of enrollment.

Students admitted for the fall semester must submit the enrollment reservation fee and form by May 1st or within thirty days of acceptance, thereafter, to confirm their intent to enroll at the college. The fee is non-refundable after May 1st. For spring semester, to confirm intent to enroll, admitted students must submit the enrollment reservation fee and form by December 15th. The fee is non-refundable after that date.

Although the enrollment reservation fee is non-refundable if submitted after May 1st for the fall semester and December 15th for the spring semester, it can be applied to either semester within one full academic year following the original application to enroll if the student chooses to defer enrollment.

Transfer of Credit

The following criteria will be used to determine whether or not a course from Flathead Valley Community College will be accepted for transfer credit at Carroll:

1. The student must have received at least a "C" or 2.00 grade in the course;
2. The course must be academic in nature;
3. A maximum of 60 lower-level credits (100-200 level) may be transferred into Carroll College. Exceptions require the approval of the Vice President for Academic Affairs;
4. At least one-half of the credits required in the major field or the area of concentration must be taken at Carroll;
5. Of the final forty (40) semester credits earned toward the baccalaureate or associate degree, a minimum of thirty (30) semester credits must be earned at Carroll College;
6. Only two (2) semester hours or the equivalent in Physical Education activity courses (e.g., swimming, skiing, etc.) are transferable;
7. Courses taken on a pass/fail basis will not be accepted into the major or area of concentration. No more than four (4) such courses will be allowed toward graduation, whether they are taken at another institution or at Carroll;
8. Students who have taken courses abroad must take a corresponding examination in order to receive credits;
9. No credits will be given for any examination with less than a "C" or a 2.00 grade in a course taken abroad;
10. Students are responsible for sending an original copy of their foreign transcripts directly to the Registrar's Office.

Bachelor of Arts Degree

To earn a Bachelor of Arts degree from Carroll College, the following requirements must be met:

1. Completion of the Carroll College Core Curriculum (CORE) for the Bachelor of Arts degree.
2. Completion of all program requirements in the major and minor (if one is taken).
3. Completion of 122 semester credits, only two (2) of which may be physical education activity courses (HPE 101-102).
4. Achievement of a cumulative 2.0 grade point average in:
 - a. All courses taken
 - b. The requirements in the major taken as a unit
 - c. The requirements in the minor taken as a unit
 - d. The CORE taken as a unit.

Core Curriculum Bachelor of Arts Degree

I. Foundations: 13 credits to be completed in the first 45 semester hours at Carroll College

LAS 101 Alpha Seminar.....	3 credits
(Required of all first-year students in the fall semester)	
TH 101 Theological Foundations.....	3 credits
ENWR 102 College Composition.....	4 credits
CO 101 Basic Communication.....	3 credits

II. Areas of Knowledge: 30-31 credits

Fine Arts.....	3 credits
History.....	3 credits
Literature.....	3 credits
Mathematics.....	3 credits
Natural Science (lab course required).....	3-4 credits
Philosophy.....	6 credits
Social Science.....	6 credits
Theology.....	3 credits
(TH 101 may not be used to fulfill this requirement)	

III. Writing-Intensive Requirement (WI): Two courses

V. Diversity Requirement: Two courses/experiences (one from A and B)

- A. Global Diversity—approved study abroad/course that meets criteria
- B. National Diversity—approved experiential learning opportunity or course that meets criteria

Carroll College Core Curriculum

FVCC Course Course Name **Carroll Equivalency**

I. Foundations

LAS 101 Alpha Seminar

(This requirement may be waived if 2 full-time semesters of college level coursework have been completed at the time of transfer)

TH 101 Theological Foundations: No equivalent course available
