11. _____	_____
12. _____	_____

Games will take place on Sunday and Tuesday nights from 6-8p in the Carroll P.E. Center. If you are interested in fielding a team, please put together a roster (see attached) and turn them in at the Guadalupe Hall front desk. There will be a minimum of 8 and maximum of 12 people per team.

Because of a lack of gym time, I would like to get started asap in order for each team to get as many games as possible. So I will wait to see how many teams sign up by this weekend before setting a definite start date, but I would like to start games this Sunday, Nov 1 if at all possible. The dates that I am shooting for are Nov 1, 3, 8, 10, 15, 17. It may be that we could pick up a day or two of games after Thanksgiving break, but I'd like to try to get things in before crunch time creeps up on us. Once I have rosters, we will hold a captain's meeting (possibly right before games start on Sunday night) for people to get the injury waivers and to go over the rules. If there are any questions, please email me and I will do my best to answer them.

Thanks very much everyone, and have a great Halloween weekend. I hope lots of you will field a team!
