

Carroll Saints' Shoppe and Textbook Buyback

The Carroll Saints' Shoppe has partnered with three different textbook wholesalers in an attempt to provide students with the best pricing for textbook buyback. These are:

- MBS Direct Guaranteed Buyback Program - <https://saintsshoppe.carroll.edu/>
- BNC Forward Online - <https://onlinebuyback.mbsbooks.com/index.php?jde=20910346>
- Nebraska Book Company - https://saintsshoppe.carroll.edu/sell_main.asp?

Following are instructions for accessing each option. We encourage you to look at all three options to take advantage of the best pricing for you.

General notes for all buyback programs

- Make sure the textbook you are selling is not one that you rented. This is NOT a rental return program.
- Each wholesaler has different minimum total buyback in order to cover the free shipping for your sale.
- Textbooks need to be in good condition with no water damage, minimal highlighting and no torn covers and pages.
- Payments should be made within three weeks to give time for shipping, receiving, and check in of your textbooks.
- You will need to contact the wholesaler with questions concerning tracking your payment.
- You must ship your textbooks within seven days of accepting the buyback quote.
- Be sure to pack all textbooks to one wholesaler in the same box and include a copy of your quote.

How to Ship Us Your Books

Step One: Pack your books

Pack your textbooks in a strong, sturdy box suitable for shipping. Fill the empty spaces with clean filler. Remember, the received condition determines the final value of your shipment. Be sure you have packaged your shipment well to protect your investment. Do not seal the box.

Step Two: Print and enclose your packing list

Please print and enclose your [Packing List](#). If you do not include the packing list with your books, you may not be credited for the buyback. Keep a copy for yourself. Tape the box securely.

Step Three: Print your pre-paid shipping label

Print your [Shipping Label](#). Securely attach the label to the top of the box. Make sure there is only one mailing label on the box you are using. Then, ship us your books. The postage paid UPS label does not insure your package. Should you desire to insure your package, we suggest you purchase those services from UPS at your expense. We are not responsible for lost, stolen or damaged books.
