

**OBSERVATION LESSON PLAN** *(All headings and content must be included and the lesson plan must be computer processed.)*

**Name:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**Subject:** \_\_\_\_\_ **Topic:** \_\_\_\_\_

**Lesson Name:** \_\_\_\_\_ **Unit Name:** \_\_\_\_\_

**Teacher-generated Specific and Unique Lesson Objectives** *(stating what, when, and to what degree students will accomplish):*

**Subject-Area Standards and Benchmarks this lesson will enable students to achieve** *(Common Core or other National or State Standards):*

**Danielson Framework Performance(s) for which this lesson may be used as an artifact to provide evidence in support of teacher's competence:**

**Motivating Activities** *(the opening moments of the lesson that hook your students, making them enthusiastic participants in your lesson):*

**Instructional Procedures** *(the complete lesson details and resources that enable students to fulfill the lesson's objectives—enough detail and all resources that would enable a substitute teacher to pick up this lesson plan and teach the lesson):*

**Unique Materials** *(a listing, with quantities, of everything needed during the lesson):*

**Adaptations of Instructional Procedures to meet individual students' unique cognitive, behavioral, developmental, and/or cultural diversities, abilities, or disabilities:**

**Evaluation Procedures** *(end-of-the-lesson assessment that enables you to check to see if all students have achieved all of your lesson's objectives):*

**Supervisor's Narrative:**

*(At least one-half page of blank paper must be provided for this narrative.)*

*(All Observation Lesson Plans must end with the following--)*

**We have discussed the above narrative. Student's Signature:** \_\_\_\_\_

**Supervisor's Signature:** \_\_\_\_\_ **Date:** \_\_\_\_\_
