- Payments should be made within three weeks to give time for shipping, receiving, and check in of your textbooks.
- You will need to contact the wholesaler with questions concerning tracking your payment.

How to Ship Us Your Books

Step One: Pack your books

Pack your textbooks in a strong, sturdy box suitable for shipping. Fill the empty spaces with clean filler. Remember, the received condition determines the final value of your shipment. Be sure you have packaged your shipment well to protect your investment. Do not seal the box.

Step Two: Print and enclose your packing list

Please print and enclose your <u>Packing List</u>. If you do not include the packing list with your books, you may not be credited for the buyback. Keep a copy for yourself.

Tape the box securely.

Step Three: Print your pre-paid shipping label

Print your <u>Shipping Label</u>. Securely attach the label to the top of the box. Make sure there is only one mailing label on the box you are using. Then, ship us your books.

The postage paid UPS label does not insure your package. Should you desire to insure your package, we suggest you purchase those services from UPS at your expense. We are not responsible for lost, stolen or damaged books.
