

Student Technology Resources – Carroll College OKTA Tiles

The following applications are available for students at <https://carroll.okta.com> or from the Carroll Apps link on the Carroll College website.

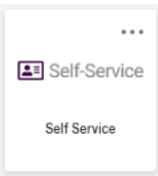

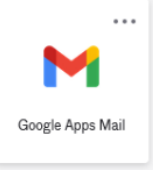

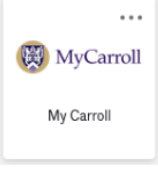

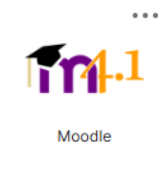

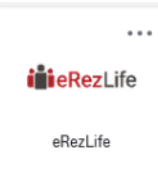

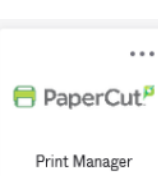

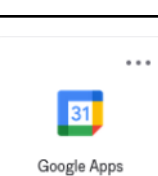

Once you have activated your Carroll network account, these resources will be available via a single login using your Carroll College account credentials (username and password).

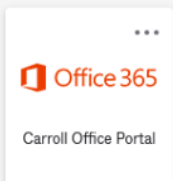

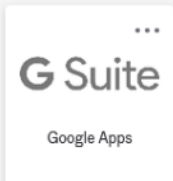

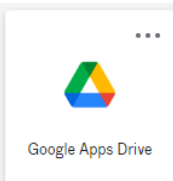

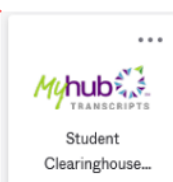

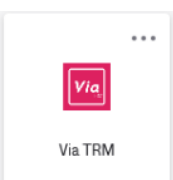

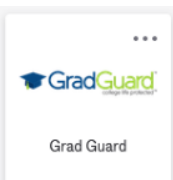

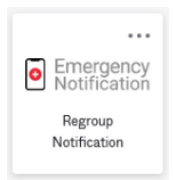

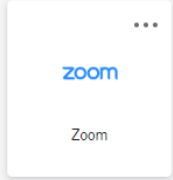

You will use these apps to complete many essential tasks throughout your Carroll College experience. Please take a moment to explore them, as you will be using many of them over the next few weeks.

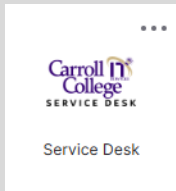

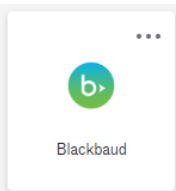

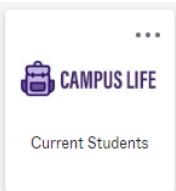

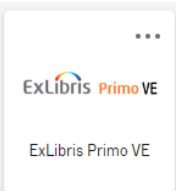

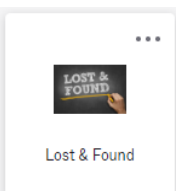

Please make sure that “Google Apps Mail” in your OKTA Apps connects to your @carroll email address, rather than your personal email.

	Saints' Student Account Center – A direct link to your Carroll financial information. You can stay up to date on your account activity as well as make payments from this app. You can set parents or guardians up to be “Authorized Users” so they will have unique login portals.
