YOU ARE MADE

# FOR THE ADVENTURE

## EDUCATIONAL EXCELLENCE

# UNDERSTANDING THROUGH INTELLECTUAL PURSUIT

Learning to learn at Carroll is a skill that lasts a lifetime.

At Carroll, **how** you learn is just as important as **what** you learn. We set the bar high academically, and we'll help you clear it. But success in college requires more than just mastery of your major; we believe preparing for a life of meaning, virtue, and service matters just as much as preparing for a career.

## Learning by Doing

An essential aspect of your education at Carroll is hands-on learning beyond the classroom. With curiosity and determination, our students push beyond boundaries to discover and achieve. Our "*Sed Vitae*" (*For Life*) experience gives every student an internship, study abroad, service-learning, undergraduate research, or practicum opportunity. Many students do several!

# FRIENDS FOR THE JOURNEY.

adventure is shared rewarding fun authentic

WHEN WE ASKED STUDENTS to tell us what they value most about their Carroll experience, what topped the list? **FRIENDSHIPS.**

The small-school community is part of what makes Carroll such a special place for students. Being a Saint means finding a place where you belong. Where you're supported and challenged. Where you look out for each other.

IT'S YOU AND LIFELONG FRIENDS HERE—STEPPING INTO ADVENTURE TOGETHER.

## SUPPORTIVE COMMUNITY

PUT ON YOUR **PURPLE**

Our Fighting Saints student-athletes are champions in the classroom, in the community, in practice, and in competition. All year long, athletic events bring the Saints family together for big-time fun—because purple passion runs strong here.

WHEREVER YOU ARE IN YOUR EXPLORATION OF FAITH AND SPIRITUALITY, YOU'RE PART OF OUR SHARED JOURNEY HERE.

At Carroll College, we engage the most enduring questions of human life because we believe that an education which does not address ultimate matters of faith is no education at all. Rather than avoid tough conversations for fear of disagreement, we develop authentic friendship as we strive together for understanding.

Hundreds of Carroll students fill **ALL SAINTS CHAPEL** throughout the week to worship Our Lord and be transformed by His Love and Truth.

## FAITH AND SERVICE

FAITH PROPOSED, NEVER IMPOSED.

## LEADING & SERVING IN SCHOOL & LIFE

BEING A SAINT IS ABOUT SO MUCH MORE THAN THE ORDINARY COLLEGE EXPERIENCE. In the Carroll family, serving others is an essential part of who we are—from the campus to our local community and across the globe—for life. As we reach out with ready hands to share our talents, our skills, and our blessings, we begin to grasp the true magnitude of giving ourselves away in love.

"Carroll College is meant to be a beacon to the Church in the Northwest."  
—SAINT JOHN PAUL II
